CCDC

RIT's CCDC team took 1st place in NECCDC! Many members of this team are RITSEC members ranging from 1st to 4th years. Through a lot of work and sleepless nights, this team has secured their position at Nationals. Congratulations to the team and good luck April 23rd-25th!

CCDC Team

- **Coach:** Bo Yuan
- **Assist. Coach:** Joe Graham
- **Captain:** Brandon Adler
- **Assist. Captain:** Russell Babarsky
- Phillip Babey
- Amanda Brown
- Robert Gray
- Sean Newman
- Connor Shade
- Duc Phan
- Simon Buchheit
- Jack McKenna

High School Visit

60 high school students from five school districts (East Irondequoit, Gates Chili, Pittsford, West Irondequoit, and Wheatland Chili) came to RITSEC to learn about security. We set up a DVWA and went through different fun concepts that they might deal with including XSS, SQL injection and command injection. The students were very engaged with our members and we are hoping to see them join the security industry in the future.

BSides

BSides Rochester was a big hit as usual. BSides is a great way to get your foot into Security Conventions. We had many people utilizing their "Send a resume, get a free ticket" program. This year, the RITSEC Secretary, Jack McKenna (hulto), presented! Jack is an active member of our red team and CCDC team. His presentation, "Goofkit - Getting goofy with kernel functions", showed off his current passion for rootkits. BSides also had a "Hack the Badge challenge" which was a cool challenge for all to fiddle with, as long as you purchased one head of time.

April

IRSeC! Eboard Elections! RITSEC's Red team will be at UB Lockdown attacking two of our beginner blue teams. All while preparing for finals in the last week of April!
